

BASIC SCAFFOLDING STUDENT JOURNEY

1. Enrol in your Course

Book your course online or by calling our friendly customer service team.

2. Access your learning material

You will receive a confirmation email which includes important information and login details for the Online Portal. Here you will access your pre-course material and complete your pre-course quiz.

3. Attend 4 Days of Training & Book into your Worksafe WA Assessment

Theory, Practical Training & Practical Assessment Preparation. Your assessment date will be held within 14 days, we recommend using this time to study.

Receive your Credentials

Once deemed competent you will be issued a Notice of Satisfactory Assessment(NSA). This document allows you to immediately to erect, alter or dismantle a temporary structure within the scope of a basic scaffolder.

Apply to Worksafe WA for your National High Risk Work Licence (SB Class) within 60 days at an Australia Post Office* or at your nearest Worksafe WA office. Your Photo Licence will be mailed to you directly. Valid for 5 Years.
